

VILLA ART SHOW

OCEAN

17. & 18. JUNI 2021

PRESENTED BY PASSION ENTERTAINMENT AG

SAVE THE OCEAN'S

The theme of this year's **Villa Art Show** is "OCEAN" and is all about the "Sea/Coral Reef Cleanup".

The "braceletes" that will grant access to our guests will be made from the powder of dead coral, in keeping with the theme. From each ticket sold, a portion will be donated to an organization dedicated to marine conservation.

With this year's program we want to set an example and contribute to the protection of the oceans and their inhabitants.
